SAVE THE DATE

Hello Anderson Grade 7 families,

We are excited to announce that on Monday, May 25, our grade 7 students will have the opportunity to go to Camp Cheakamus for a one-day outdoor education/field study program. Camp Cheakamus is located in beautiful Squamish, British Columbia, and is owned and operated by the North Vancouver School District (NVSD). It is an environmental studies facility located on 165 hectares of ecological preserve in Paradise Valley. We will be traveling by Perimeter Transportation coach bus to and from Camp Cheakamus, and the students will spend the day participating in their Field Studies program, which is aligned with our BC curriculum and supports the Ministry of Education's learning objectives and core competencies.

MORNING DROP-OFF REMINDER

To help support a calm and orderly start to the school day, we kindly ask that students line up at their classroom doors rather than entering through the main entrance. We've noticed an increase in students coming through the main doors recently, and returning to classroom line-ups will help maintain a smooth routine. This approach also supports teachers in taking accurate attendance and creates a positive transition for students as they begin their day. Thank you.

EARLY WARNING SAFE ARRIVALS

Parents are reminded to use the safe arrivals line when students will be away, late or need to leave early. Please call [604-668-6358](tel:604-668-6358) and leave a message on our automated system anytime - 24/7.
