JUST A NOTE

Hello Anderson Families,

We had a great week at Anderson Elementary. Students participated in a special Lacrosse mini lesson hosted by the Richmond Roadrunners this week during their PE blocks. We have attached a flyer for a free opportunity for students to check out the Lacrosse program in Richmond.

SPIRIT WEAR DAY

Hey Anderson...

Every Friday is Spirit day.

Show your Eagles' pride - wear your school gear and/or school colours.

EARLY WARNING SAFE ARRIVALS

Parents are reminded to use the safe arrivals line when students will be away, late or need to leave early. Please call [604-668-6358](tel:604-668-6358) and leave a message on our automated system anytime - 24/7.

DROP OFF ZONE

PARKING LOT

Keep the Drop-Off Zone Moving for Safety and To Help Prevent Congestion

We kindly ask all parents to pull forward as far as possible when using the morning and after school drop-off zone. Stopping too early creates congestion and delays for everyone, and more importantly, it poses a safety risk for students who are trying to arrive at school. By moving all the way forward, you help keep traffic flowing smoothly and ensure a safer environment for all our students. Thank you for your cooperation!

Please remember to park in empty spaces

Do not double park in the parking lot or in the drop off zone. It is dangerous for students and staff entering or exiting the school.

DO NOT LEAVE YOUR VEHICLE UNATTENDED.
You must stay in your car if you are stopped in the drop off zone.

MORNING DROP-OFF REMINDER

To help support a calm and orderly start to the school day, we kindly ask that students line up at their classroom doors rather than entering through the main entrance. We've noticed an increase in students coming through the main doors recently, and returning to classroom line-ups will help maintain a smooth routine. This approach also supports teachers in taking accurate attendance and creates a positive transition for students as they begin their day. Thank you.

Dear Parent or Guardian:

This year, Vancouver Coastal Health Public Health Dental Hygienists will be offering dental screening to your child's kindergarten class. Screening helps to identify children who may be experiencing health problems, which can affect their health and learning. The goal is to identify disease early and provide your family with oral health resources.

Screening will be done on Thursday February 19 2026 starting at 9:00 AM in the school.

Dental Hygienists will:

Check all children's teeth, whether they have or have not seen a dentist before. They will complete a quick visual check using a tongue depressor and flashlight. This dental screening does not replace seeing a dentist.

If we find any concerns with your child's oral health, we will let you know. A letter will be sent home with information about your child's screening and if there is a need for further testing or follow up.

If you do not wish your child to be screened, please call the phone number below at least one week before to the screening date. If you choose not to participate in the screening, this will not affect your child receiving other services or in the quality of care provided. If you do not contact us, we will screen your child.

The screening results will be held confidential and the information about your child's screening will be recorded in your child's health record at the Health Unit. The information collected is to support your child's referral and follow up with VCH. We make sure that this information stays private. We collect, use and share this information only as allowed by law: The British Columbia Freedom of Information and Protection of Privacy Act.
