REMINDERS & UPDATES

As we head into the last week before Spring Break, we wanted to share a few reminders and updates.

This week will be our final week of classes before the Spring Break pause. It has been wonderful seeing the students' continued enthusiasm and creativity in their work, and we're looking forward to finishing the term on a strong note.

Please remember:

- School will run as scheduled this week.
- Last day of classes is Friday, March 13.
- Spring Break is March 14-28.

If your child will be absent during this final week or after the break, please let us know in advance by filling out the Student Extended Absence Form.

We encourage students to attend if possible so they can wrap up current projects before the break.

EARLY WARNING SAFE ARRIVALS

Parents are reminded to use the safe arrivals line when students will be away, late or need to leave early. Please call [604-668-6358](tel:604-668-6358) and leave a message on our automated system anytime - 24/7.

EXTENDED ABSENCE REMINDER

With spring break approaching, we would like to remind families who may be traveling—and who plan to leave earlier or return later than the scheduled break—that a Student Extended Leave Absence Form must be completed and submitted. Forms are available at the school office.

Regular school attendance plays an important role in student learning. However, we understand that families may occasionally choose to take their child(ren) out of school for an extended period. Please note that teachers will not provide homework or learning packages for students who are away on extended vacations.

Please also note that student absences longer than 20 school days (four weeks) may result in your child(ren) being removed from the school register. Upon returning, families would need to re-register through the Central Registration Office: <https://sd38.bc.ca/student-registration>

Placement back at the current school and in the same classroom can only occur if space is available. Please complete the form and return it to the school office before your departure. If you have any questions or would like to discuss extenuating circumstances related to an extended absence, please contact your school principal in advance.

Friendly Reminder for Accessing the Building, Morning Drop-Off and Afternoon Pick-Up. For the safety of all students and staff, and to help us properly monitor who is entering the building, any parent or caregiver who needs to come inside the school must sign in at the office before going to their child's classroom. In addition, we kindly ask families to drop off their child at their classroom door rather than walking them through the main entrance and down the hall to class.
