This Week's News! – February 28th – March 4th

Anderson Celebrates Pink "Kindness Day"

We also had a wonderful virtual assembly that focused on Kindness. Thank you to our wonderful presentations and special thanks to our MC's. If you would like to watch, please click on the following link. [Anderson Kindness Assembly](#) password - kind

As always, please do not use any of this recorded assembly for any other purposes than family enjoyment. No images or video should be shared in any form to social media sites. We hope you enjoy the assembly.

Message to families – If your child is not being treated well by others at school, please be sure to contact your child's teacher so we can help with the situation. Parents should not be trying to connect and resolve issues with other children. We are here to help and are happy to follow up on any concerns you may have.

Each student at Anderson is being provided with a box of five Artron rapid antigen at-home tests from the Ministry of Education. These tests have been distributed and students will bring them home today (Friday, February 25th)

Upcoming Dates!

Report Cards go home
