Grade 6 and 7 Presentation

Children of the Street

Over the next couple of weeks, all our grade 6 and 7s will participate in a zoom presentation from Children of the Street. Please see the program information below.

taking care of ourselves, taking care of others (tco²)

Taking Care of Ourselves, Taking Care of Others (TCO²) is a unique workshop designed and delivered by youth, for youth about preventing sexual exploitation. Using monologues, role-plays and engaging activities, two young adult facilitators involve participants in a meaningful and interactive discussion of what sexual exploitation is, who is involved, and how to prevent it from happening.

We encourage our families at home to continue this conversation and continue to monitor your child's on line interactions.
