### 3. Here's where you organize and decorate your pages.

**\*\* Make sure you don't go outside the dotted lines. \*\***

The screenshot shows a software interface for designing a yearbook page. At the top, a dark grey header contains the text "Personalized Henry Anderson 2020/21 for" on the left, "Saved 8:23:04 PM" and a question mark icon in the center, and "Exit" and "Finalize and Submit" buttons on the right. Below the header is a toolbar with icons for "LAYOUTS", "EDIT PHOTO", "BACK GROUND", and "ART". The main workspace is a light grey area with a large white rectangular area outlined by a dashed line, representing the page layout. A "Blank Page" button is visible near the top left of the workspace. A "This page cannot be edited." message is centered in the workspace. At the bottom left, there are buttons for "PHOTOS" and "PAGES". A "Manage Photos" button with an upward arrow is next to a "Hide used photos:" button with a leftward arrow. A blue "ADD PHOTOS" button is highlighted with a red dashed circle. A "Close" button with a downward arrow is at the bottom right. Three yellow callout boxes with dashed borders provide instructions: the first points to the "LAYOUTS" icon and says "Choose photo layout templates here. Best one is 'collage'"; the second points to the "BACK GROUND" icon and says "Choose any background. The Yearbook theme is called 'boardgame', should you choose to keep the same theme. Try searching, retrospect, covid, or about me."; the third points to the "ADD PHOTOS" button and says "Upload your photos here".

### 4. Once you're done, click "finalize and submit" in the top right hand corner.

**You can always save and edit the pages later by May 29<sup>th</sup>!**
