This Week's News! – June 6th to June 10th

June FUN for Anderson!

Monday, June 6th – Original Track and Field on Friday was cancelled due to Rain. Anderson will host our **Track and Field** event on Monday, June 6th for students in grades 4-7. With the small size of our field, we are not encouraging spectators for this event.

Friday, June 10th – AnderSUN Day for our classes with primary students. The plan is to provide some fun events for the afternoon. The theme is **TROPICAL Day**. Thanks to PAC, they have organized a pizza lunch on this day. With the small size of our field, we are not encouraging spectators for this event.

Saleema Noon

Body Science and Sexual Health Education

Student sessions will take place during the school day on June 7th, 8th and 9th.

The content of the presentations is supported by current research as being age appropriate and we believe that it contributes to healthy child development.

Please be sure to contact the school office if you have any concerns.

Are you reading our Newsletter on the school's Website?

For anyone reading our Newsletter on the website, please know that we do send it out to all our families each Friday. Please check your Junk mail if you are not finding school newsletters and other information sent home in your regular email folder. Thanks!

Packing Lunch and Snacks

With the weather getting a little better, we are finding our students are often more active. Recently we have had many students come to the office for extra snacks because they are still hungry after eating their lunch. We would encourage our families to try and pack an extra snack over the next couple of weeks.

The last MunchaLunch Pizza Day for this School year is Friday, June 10

Ordering for this Pizza Day has been extended until Sunday, June 5th.
