Anderson School

This Week's News! – June 17th to June 21st

It's Been Fun – Anderson is getting a new Principal in September!

It's certainly with mixed emotions that I am letting you all know that I, Mr. Harrington, will be starting at the Board Office as a District Administrator in September. It has been a pleasure working with you all. I will really miss working with students, staff and parents. We have such a talented and fun group of students. Our students have made each day exciting, meaningful and fun. Even in the rain, crosswalk duty before and after school has been very special. Special thanks to all the students and parents who always say "good morning" or "good afternoon". Soon we will make an announcement regarding who will be the new principal in September. I know that they will be welcomed to Anderson and enjoy working with you all.

Thanks for your support and all your efforts in helping your child(ren) have a successful and fun experience at school!

9 School Days Remaining!

It is hard to believe that we have only 9 school days remaining in our school year. **The last day of school will be on Thursday, June 27th.** This is certainly an exciting time for many of our students. We hope our Anderson families can help us out by ensuring all Anderson students are well rested and get enough sleep. Sunlight is lasting longer and although it might be tough to put our kids to bed, it really helps set them up for a successful day at school.

Garden City Park Update

If you have been watching the news, you will already know that the City of Richmond and the SPCA continue to work on dealing with the stray dog issue at the park. Currently, Garden City Park is blocked off in many areas to help with this issue. Please continue to be mindful of Garden City Park as we want to help ensure the safety of our Anderson Community. We will provide an update if we hear about this situation being resolved.

Happy Father's Day!

Wishing all of the Dads in our Anderson Community a

Happy Father's Day this Sunday, June 16th.
