Provincial Professional Development Day Friday – October 25th

Just a reminder that this Friday is a Pro-D day and school is not in session.

Our **ADST Makerspace** is looking for your help. Please help our students bring their visions to life. We need cardboard rolls, sewing needles and threads. If you have any of these items at home, we would really appreciate them! Please drop off your donations to the blue tote outside the office by **Thursday, October 24th**. For more information, please see click this [link](#) to our website.

Dress for the Weather!

Just a reminder for all Anderson Families that we really need to have our children dress for the weather and it's always a good idea to have a dry change of clothes at school in case our clothes get wet. Outdoor learning and breaks will still be happening outside in most weather conditions.

We will still be having outside days when it is raining as fresh air and exercise is such an important part of a successful school day. Please help ensure your child can stay dry and warm in poor weather conditions.

Halloween at Anderson

As Halloween is approaching, we wanted to connect with our families with some information regarding costumes. Students are welcome to wear costumes on Halloween, though by no means is it an expectation as we are mindful that not all students and families participate in Halloween activities. If your child does want to come to school in a costume, we do ask that it is appropriate, respectful of all cultures, and safe. Thank you.
