MAKER SPACE

Did you know that scientists have found that making and creating lowers cortisol and is correlated with happiness? Starting this Monday, Mme Walliser will be hosting students in the Makerspace for Maker Club from 2:45 to 3:45. Please see Mme Walliser if you are interested in learning more!

Need to Access the School?

For the safety and security of our students and staff, we kindly ask all parents to sign in at the school office if you need to enter the building. This simple step helps us monitor visitors and ensures that everyone is accounted for. By signing in, you also help maintain a safe and welcoming environment for all.

In this regard, we are kindly asking the following from our families:

- Please continue to drop off and pick up your child(ren) at their designated classroom doors
- If your child happens to be late, please come in through the main entrance and your child can walk to class after signing in with Ms. King
- If you need to come into the school for a specific reason, we do ask that you check – in at the office first to get a visitor tag.
- At the end of the day, if your child forgot something from their classroom, we ask that you please come by the office first and we can help you get what you need from their class.

We appreciate your cooperation and support in keeping our school a secure place for learning.
