Drill - Hold and Secure

Dear Parents/Guardians,

We're writing to let you know about a safety procedure that we have at the school called a Hold and Secure drill.

Anderson Elementary, along with the rest of the Richmond School District, is committed to promoting Safe Schools for all students and staff. Part of that commitment is ensuring staff and students are trained and prepared to respond to any threat, minor or serious, to our school population.

Just as we practice safe procedures in case of earthquake or fire, we will now prepare for other situations that might happen in our school neighbourhood (such as a broken gas line) or within our school (such as an intruder). These situations would lead us to follow "Hold and Secure" procedures – a perimeter lockdown.

For an intruder or a any other danger inside the school, we would follow Lockdown Procedures. These procedures have been developed with the support of law enforcement agencies and are consistent through all metro school districts. We will be having a Lockdown Drill on Monday, February 24th.

Today we had a "Hold and Secure" drill at 10:45 am to simulate effective responses to potential safety threats outside of the school. All staff members have practiced the drill before in previous years and school announcements today discussed the steps involved in a school Hold and Secure drill with our students.

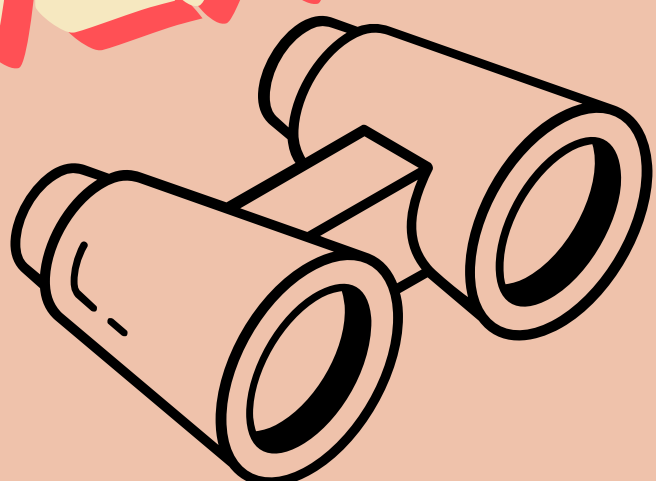

If you have any questions about the Hold and Secure drill, please call the school at 604-668-6355.

Sincerely,

Mr. Daum and Mr. Chan
