Just a reminder to our Anderson families to adjust your clocks this weekend.

Basketball Tournament at McRoberts

Congratulations to both our Girls and Boys basketball teams on a **VERY** successful tournament at McRoberts on Monday and Tuesday night!

The Girls worked hard and qualified for the final but unfortunately lost by one point on the final game and proudly finished second!.

The Boys also worked hard and showed great skills.

Congratulations to our hard working players and coaches for showing **GREAT** Anderson spirit and playing hard!

Dear Parents/Guardians,

In the unlikely event of a school emergency, we would like to share a document that the Richmond School District has developed as an emergency preparedness plan.

Please see the following documents: District Parent's Guide to Emergency Preparedness and Anderson's Emergency Reunification Map on our school website using this [link](#).

If you have any further questions, please reach out to Mr. Daum or Mr. Chan.

monsters

BY

DIVISION 17 AND 27

Little buddies from Division 27 created monsters and drew their ideas by hand for their big buddies from Division 17. The big buddies then took the time to create the monsters out of felt to give back to their little buddies.

The creation of the monsters out of felt ties in nicely to our ADST curriculum for the grade 6 and 7 students. We thought we'd share these photos of their wonderful creations and celebrate the meaningful buddy activities taking place here at Anderson.

Not Feeling Great?

Please call our student Safe Arrivals line @ (604-668-6358)

It is that time of year of cold and flu season! We continue to highlight washing hands at school to help prevent the spread of germs. If your child is constantly needing to wipe their nose, has a cough or is feeling unwell, please keep them at home until they are feeling better.

We encourage our families to have a plan if the school calls home to send a child home because their health is interfering with their learning. Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. Please do your part and stay home when sick.
