## April is Sikh Heritage Month

*This month is a time to recognize and highlight the important contributions that Sikh communities have made, and continue to make, to Canada's social, economic, political, and cultural heritage. Here in the school we have a vibrant collection of 5 Sikh Heritage posters for learning and display. By all means come into the school's main entrance to have a look. To learn more, please go to [www.sikhheritagemonth.ca/about](http://www.sikhheritagemonth.ca/about)*

## A Maker Minute # 8

FROM MADAME WALLISER

*One of the most beneficial aspects of the ADST curriculum is the design cycle and its connections to a growth mindset. In the design cycle, we develop an idea, create a prototype, test it, adjust it, share it with others, and then begin the cycle again. In each iteration of our invention, our creation becomes better and better.*

*As we see our creations improve with hard work and time, we shift our mindset from a fixed mindset to a growth mindset. We build our understanding that it is not an innate ability that builds our skills, but passion, a strong work ethic, and time. There is research on the benefits of a growth mindset for our well-being, and research also shows that children with growth mindsets outperform kids with a more fixed mindset and bounce back quicker from failures.*

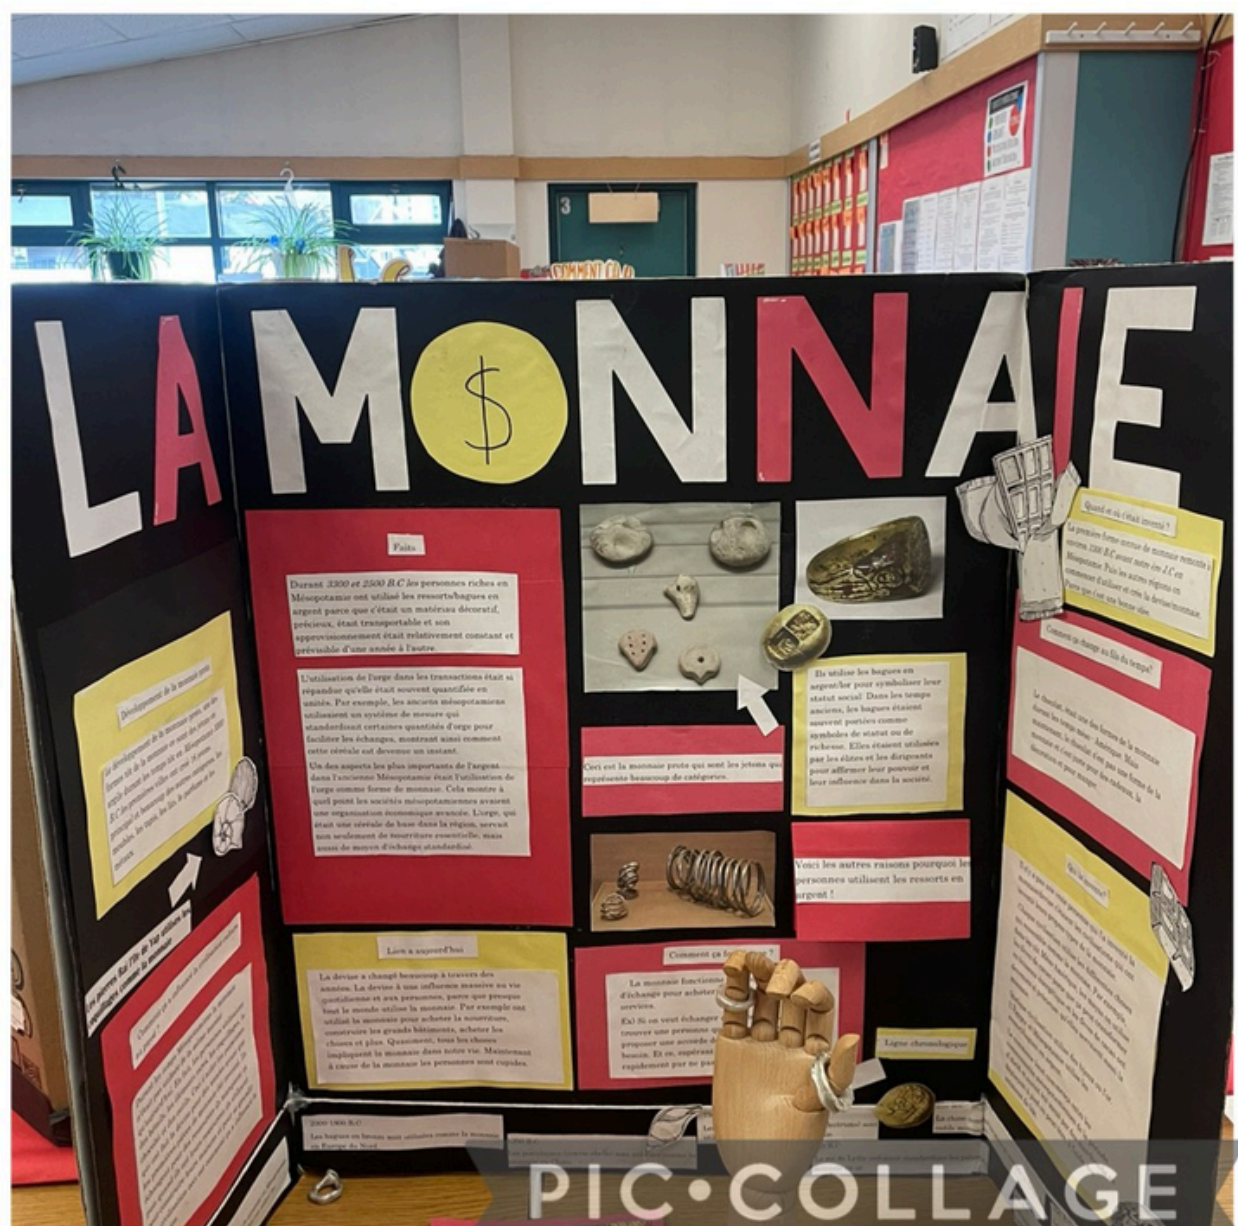

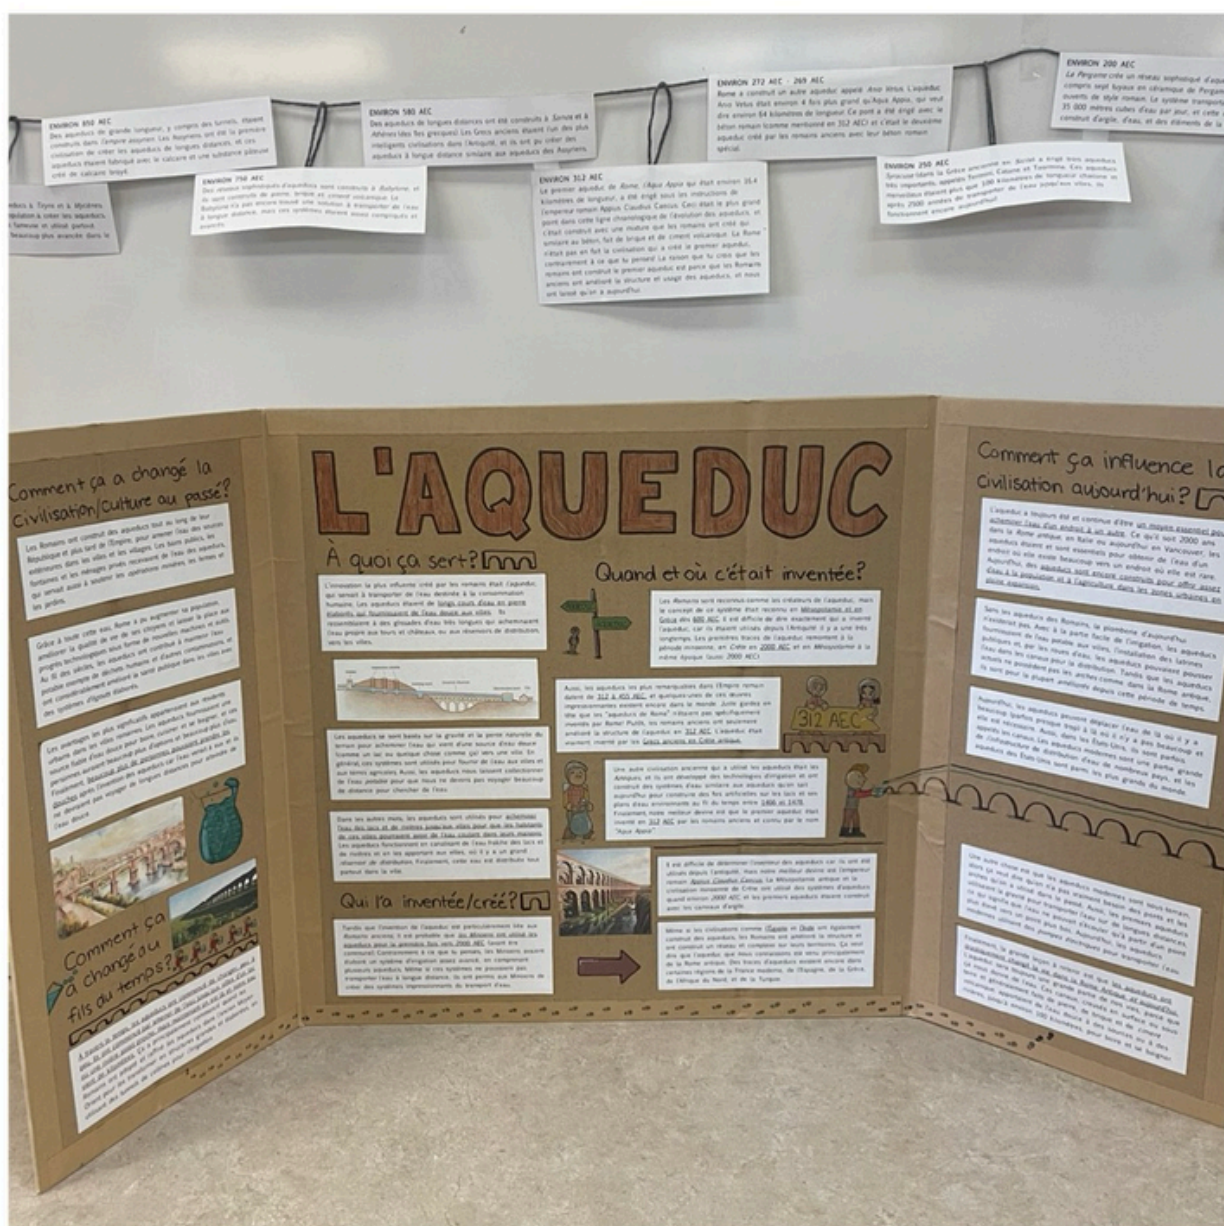

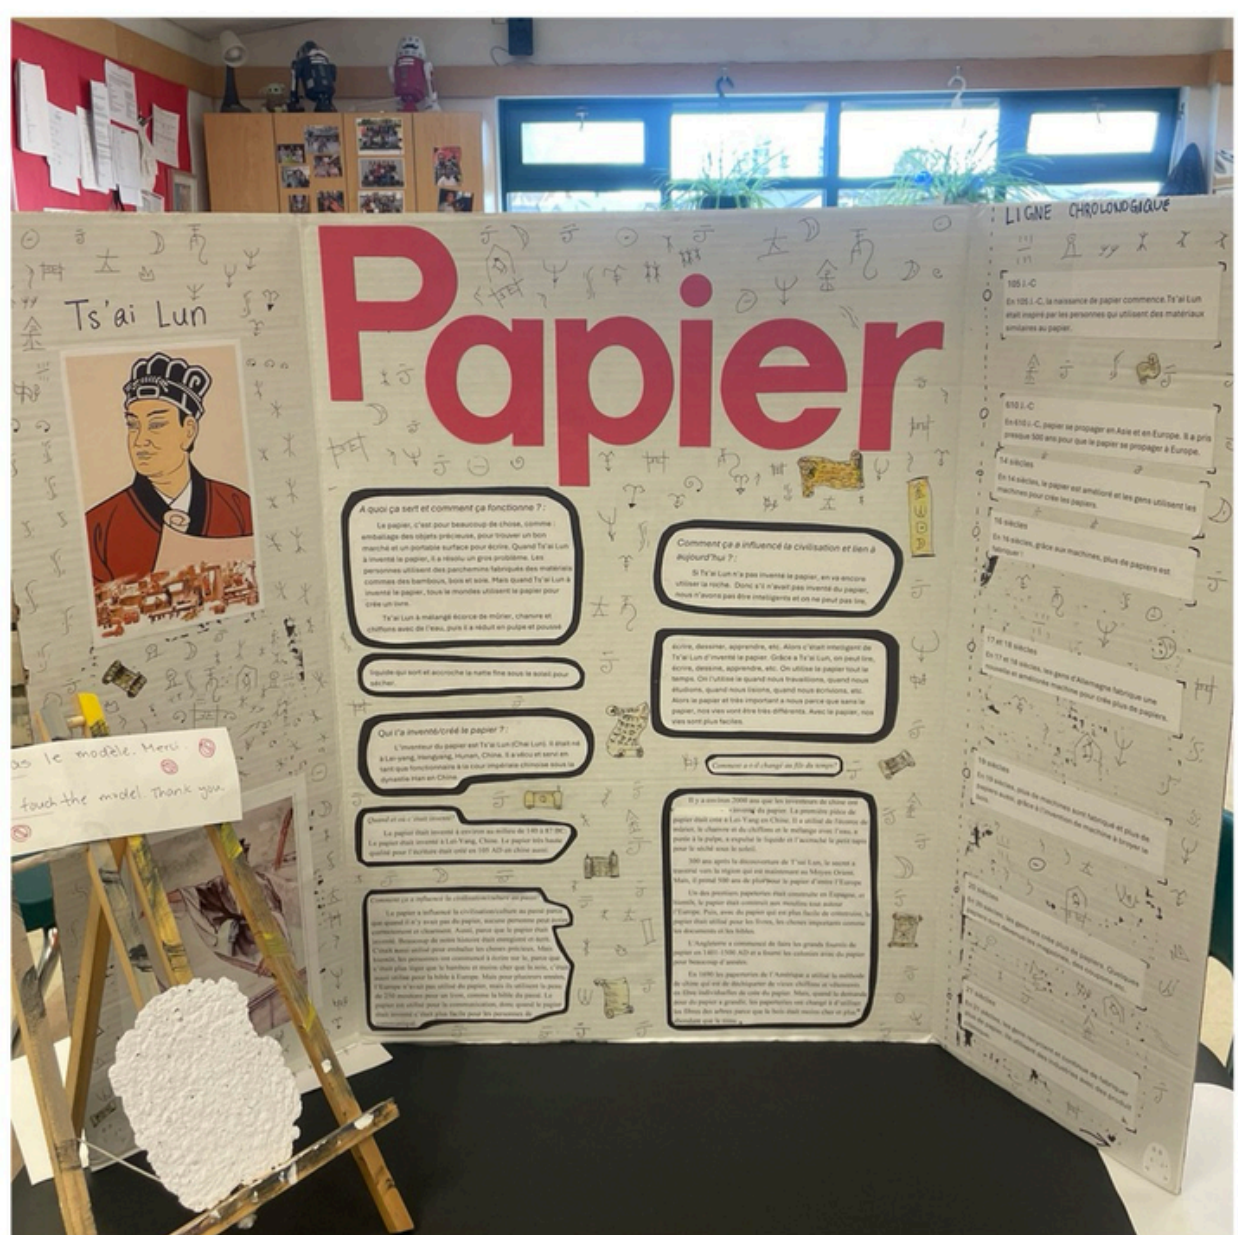

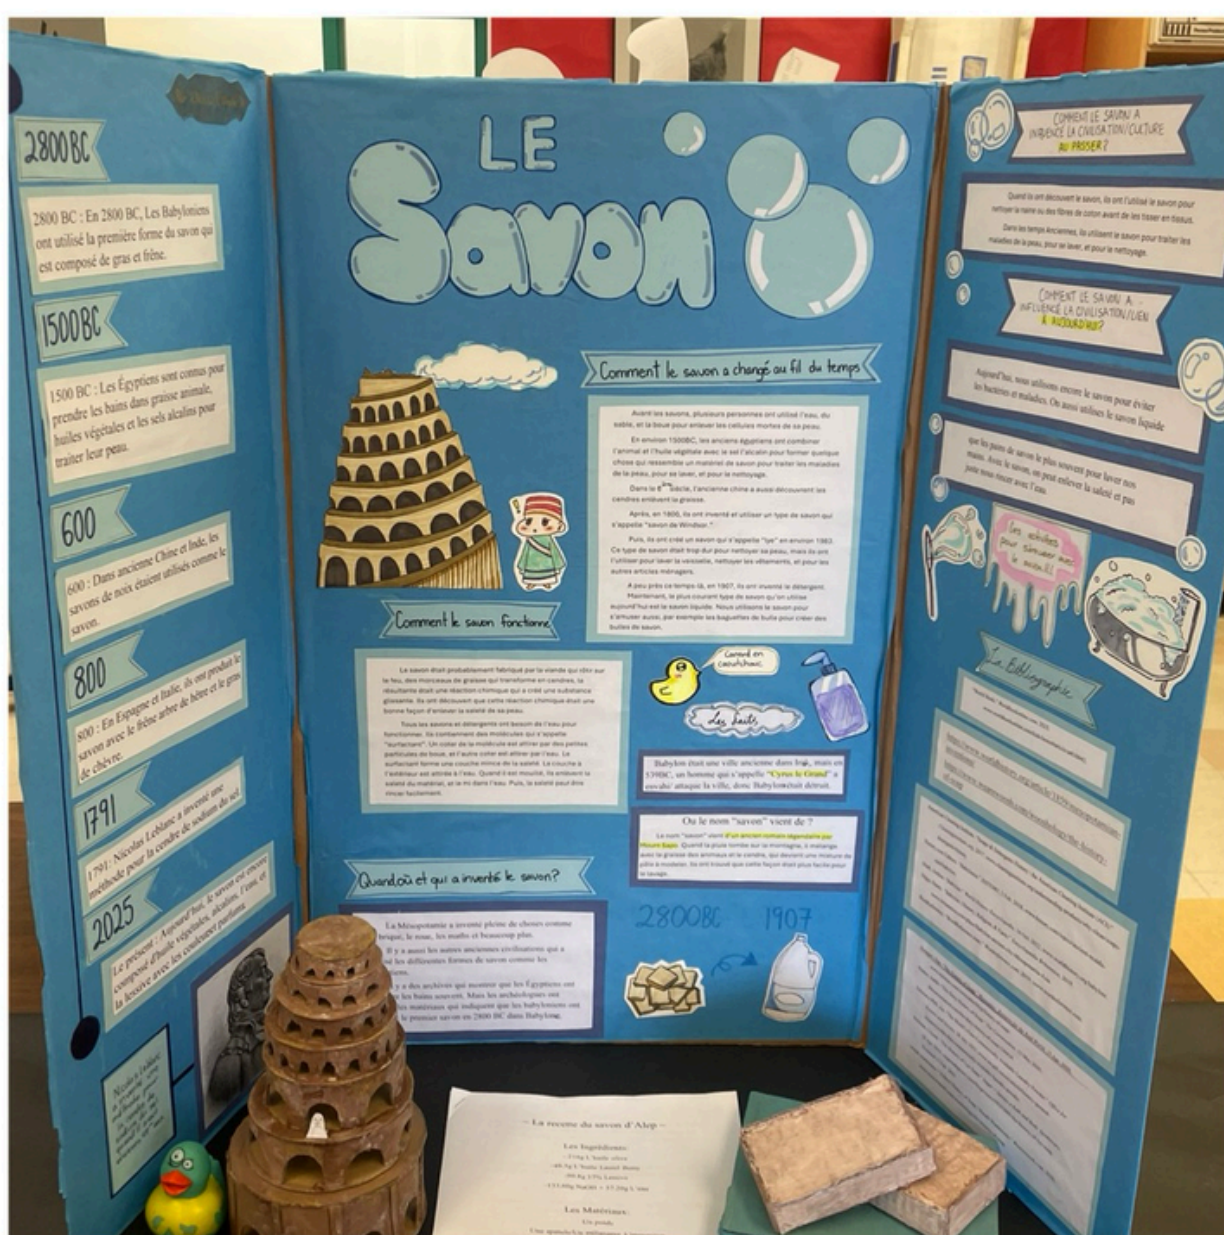

# INNOVATIONS THROUGH TIME

## WELL DONE STUDENTS!

We would like to congratulate all of our students in Divisions 1, 2, 3, 17, and 18 for their outstanding efforts in the Innovations Through Time projects. In this project, students chose an innovation that has significantly impacted civilization throughout history. They presented its origins and demonstrated how it has evolved over time.

Students created incredible exhibits and delivered oral presentations as part of their learning experience. The event also featured a gift shop and café, with proceeds benefiting the West Coast Kids (WCK) Cancer Foundation, helping to purchase new technology for our school, and supporting the Richmond Food Bank.

We extend our heartfelt thanks to all the students and families who attended the celebration this Thursday, as well as the amazing team of Anderson staff who supported our students throughout their learning journey. Well done, everyone!
