

## 2021 BC Summer Reading Club!

### **BC Summer Reading Club is FREE and FUN at Richmond Public Library!**

Join in the fun this summer with the 2021 BC Summer Reading Club. This year's theme is: *Crack the Case!* The annual Summer Reading Club is a great way for children to maintain or improve their reading skills and have fun reading, either together with their family or on their own.

#### **Who can join?**

Summer Reading Club is for kids of all ages. Everyone is welcome to join!

#### **How does it work?**

- Starting June 15th, register in person at any RPL branch, or online at [www.bcsrc.ca](http://www.bcsrc.ca)
- Read on your own or with help from someone — you can read print or ebooks, or listen to audiobooks
- Track your reading progress to earn stickers (or virtual badges online)
- Complete all of the weekly reading challenges to qualify for a medal at the end of the summer!

The library is offering a variety of fun online programs this summer, too, including science and digital technology programs, book clubs, author visits and more! For more details visit the library's website at [www.yourlibrary.ca](http://www.yourlibrary.ca) or call us at 604-231-6412.
