Class Placements for 2017-2018

Although there are still a few months left in the school year, we are well into planning for next school year.

At this time of year, the professional staff at Anderson are gathering and sharing information in preparation for student placement in September.

As professionals, the staff devotes much time, care and effort in determining September placement for each child. Sometimes, parents are able to provide the school with new information about their child.

Should you wish to provide additional information about your child regarding September placement, please submit a letter to Ms. Brautigam with your request. This should not include a request for placement with a specific teacher but rather some important personal or educational data that will assist us with our decision.

Should you wish to provide the school with this information, the letter must be submitted to Ms. Brautigam by **Friday, May 26, 2017**
