Class Placements for 2018-2019

Although there are still a few months left in the school year, we are well into planning for next school year. Our organization is dependent on the number of students we have at each grade level. Thank you to those who have already let us know that their families are moving. If you haven't let us know yet, please do. Also, if you know of any children who might be kindergarten age for next year, could you please check that they have registered for school? Thank you very much.

At this time of year, the professional staff at Anderson are gathering and sharing information in preparation for student placement in September.

As professionals, the staff devotes much time, care and effort in determining September placement for each child. Sometimes, parents are able to provide the school with new information about their child.

This year we are requesting parents submit a letter in writing to Ms. Brautigam. This should not include a request for placement with a specific teacher but rather some important personal or educational data that will assist us with our decision.

Should you wish to provide the school with this information, the letter must be submitted to Ms. Brautigam by **Friday, May 25, 2018.**

HELLO,

The forms are available in the office.
